Day 1: Travel Day/National Mississippi River Museum

Depart Lincoln for an exciting adventure to the Wisconsin Dells with 55PLUS. Arrive in Dubuque late this afternoon and visit the National Mississippi River Museum and Aquarium. An indoor waterfall greets you as you prepare to celebrate America's great rivers. Included are Marine displays, a wetland nature trail, learn how rivers contribute to our nations natural and cultural history, and there is even a virtual tugboat video game where you can steer a tugboat down the Mississippi River (and it's harder than you think). You'll love your time at the river museum. Also, ride the Fenelon Place elevator up the 296 foot-long incline railway for a spectacular view of the Mississippi River. Check into your hotel for a little R&R before enjoying dinner with your travel mates at a local restaurant in Dubuque. Accommodations: Dubuque, IA (D)

Day 2: Wisconsin Dells/Upper Dells Boat Tour/H.H. Bennett Studio Tour/The Ducks/Thunder Valley Farm and Dinner Show

It's a short hop and a skip to the Wisconsin Dells where you'll start your sightseeing with the upper Dells Boat Cruise. See the natural sight of the Wisconsin Dells on your 2 hour cruise with breathtaking views of the towering sand stone cliffs on the Wisconsin River. You'll hear Dells' history and hear Native American tales and other folklore. You will make two short landings, one to see the famous dog

jump at Stand Rock, and the second to explore the eerie Witch's Gulch. Enjoy time downtown to shop, have lunch, and tour the H.H. Bennett Studio. Henry

Hamilton Bennett is known as "the man who made the Wisconsin Dells famous" thanks to spectacular landscape photos of the Dells area in the 19th century. Then board the original Wisconsin Ducks for one hour

narrated journey to take you through lush woodlands of the Dells, squeeze in through narrow gorges, and climb to the top of the highest bluff for breathtaking views. You will also make 2 water entries splashing down into the scenic Wisconsin River and Lake Delton. Take time for some time for R&R at your hotel before a fun evening ahead at the Thunder Valley Inn. The Thunder Valley Inn is a 130 year old farmstead and offers visitors a unique slice of "old-fashioned farm hospitality." You'll enjoy a delicious homemade meal made-from-scratch and your servers dressed in authentic Scandinavian folklore costumes will add a festiveness to your meal. Then sit back and enjoy the fun entertainment they have in store for you. Accommodations: 2 nights Wisconsin Dells, WI (B, D)

Day 3: Baraboo, WI/Al Ringling Theater/Clown Hall of Fame/Circus World/Tommy Bartlett Water Show

This morning get a taste of circus life when you visit Baraboo Wisconsin, home to the Ringling family. Your first stop in the Al Ringling Theater—"America's prettiest playhouse." It's one of the finest examples of palatial design applied to a motion picture theater in the country. It was the first of the grand motion picture theaters. Everyone loves a clown!

Your next stop—The International Clown Hall of Fame

and Research Center, provides an in depth look at what it was like to be the "funny man" at the greatest show on earth. You are now primed and ready for your next attraction —

Circus World, where the collection of circus artifacts is perhaps the largest in the world. It's here that the Ringling family wintered for over 33 years and houses over 210 original wagons, circus ads and posters, collections of rare photographs, handbills, programs, anything that has to do with the circus. You will even see a 1-ring show under the big tent. Again, enjoy dinner with your travel mates this evening before a night of eye-popping entertainment. The Tommy Bartlett Water Show has been thrilling audiences for over 60 years and you'll see acrobatics that you would not think could be possible. High speed power boats launch skiers flipping and crisscrossing off the ramps along with the signature 3-tier human pyramid, hydrofoil stunts, and so much more. (B, D)

Day 4: Travel home
